

Excellent thermal insulation,  
ultimate air-tightness

Heated profiles avoiding  
condensation even in  
humid regions

Blocks harmful  
effects of light

Narrow frames  
maximizing transparency

Self-contained cooling  
unit without remote  
condenser eliminates  
refrigerant piping and  
drain connection

Fully customizable  
and configurable

Comes with many  
optional add-ons

DIY friendly,  
easy installation
